Marco's story (Brazil)

What did your life use to be like?

Five years ago, things used to be very different. I didn't use to go to elementary school, and I didn't use to have a home. I lived in an empty factory for a while, until the owner said I couldn't stay any more. I wasn't even allowed to get my things! After that, I slept on the street.

How did you join the Cirque?

The Cirque performed a special local show which everyone could watch for free. I loved it, especially the clowns! I laughed so much. I knew I didn't want to be an invisible "street kid" any more. I joined the Cirque because I wanted to make people laugh and smile, too.

Who can join?

Anyone aged 8 to 25 can join. You don't have to pass tests or answer difficult questions. Cirque teachers believe *everyone* has special talents.

What's circus class like?

Fun, but there are rules. No one is allowed to be late for class, and you can't miss too many lessons, or you won't be allowed to come back. Rude or mean students aren't allowed to stay, either. Good teamwork is important for circus skills – especially acrobatics! At first, I used to make a lot of mistakes. I fell off the unicycle a lot. Riding a one-wheeled bike isn't easy! But the Cirque encourages you to "try, try, and try again." I was allowed to take extra lessons, and I'm much better now. Next year, I'll be allowed to go on an American tour. I'm so excited!

What's life like now?

I share a room with a friend, and I go to high school. I'm getting good grades, so maybe I'll go to college one day. I used to think I didn't have a future. Now, I believe anything is possible.

Check it out!
